Welcome to St. John's. If this is your first time with us, know that we are so glad you're here! Wherever you're at on your spiritual journey, we hope you are able to leave today having experienced the grace and truth of Jesus. Hopefully you've already met some of our welcome team and ushers, but know that we are here to help you however we can. *Parents, for the kids, our nursery and kids leaders will be excited to meet you!* Finally, if there's any way we can pray for you or help you connect to our church family, *please drop a welcome card in the offering basket or fill out an online prayer card.* Thank you for joining us today either virtually or in person!

As a church of grace and truth, St. John's is...

- Rooted in the doctrines of the Protestant Reformation. We believe we are saved by grace through faith in Jesus, that the Bible is the rule for Christian life and faith, and that the Good News of Jesus should be proclaimed in word and deed.
- Sacrament Celebrating. We believe God ministers to the community of believers in unique and special ways through the gifts of Baptism and Holy Communion.
- Liturgically Oriented. We believe remembering the whole life of Christ is important for spiritual maturity. We follow the church calendar, celebrating seasons like Advent and Lent.
- Ecumenically Minded. In the context of our heritage, we believe all those who call upon Jesus as Lord and affirm the creeds of the church (eg the Apostles' Creed) will share in his eternal blessings and so we welcome all believers who join us to participate in worship and community life.

2023 WEDNESDAY NIGHT SCHEDULE

6:00p-7:00p Small Groups

Confirmation, Kids Ministry, Youth, Praise Team

Small Groups:

Jamie Laney- "Stories Jesus Told" (meets in north side-street level- Ruehl Building)

Everyone loves a good story, and Jesus was a master story-teller. If you need fresh inspiration or are stuck in a personal life story you can't seem to change, consider this study of the parables of Jesus. In this class, you'll hear directly from Jesus through the Word. His parables not only form (or reform) who we are, they reveal more about God than we ever thought possible. Join this study to experience hope and dive deeper into the Bible.

Wes Warren- "Not a Fan"(meets in south side-street level- Ruehl Building)

Jesus never asked us to be his fans, sit on the sidelines, and cheer for his cause. The dictionary defines a fan as "an enthusiastic admirer." Fans want to be close enough to Jesus to get all the benefits, but not so close that it requires sacrifice. But is that really the extent of the relationship Jesus wants? Jesus was never interested in having admirers; Jesus wants us to be followers of him. Are you ready to grow closer to God and take the next step in your faith? Then this study is for you.

Nathan Williams- "Apologetics 101" (meets in Heritage Hall)

We live in confusing times, and sometimes Christians don't know how to answer tough questions about their faith. Can a woman become a man (and vice-versa)? Should children be allowed to change their gender with drugs and surgeries? Why is marriage between one man and one woman? When does life begin, and does being pro-life mean that you hate women? Join this class to learn that there are good, satisfying, and biblically-sound answers to the hardest questions the world can ask you.

A CARING CHURCH? At St. John's we long to be a caring church. Most churches share this desire, but to actually be a caring church requires all of our participation in member-to-member care. First and foremost, it begins in the friendships and relationships you establish with your brothers and sisters in Christ. A great way—in fact *the primary* way—to connect to caring, Christ-centered friendships at SJs is to get involved with one of our many groups. Each of our groups are encouraged to nurture biblical member-to-member care for one another. And, secondly, caring churches are intentional churches. Care doesn't just happen. It takes purposeful effort! Thus, our hope is that our groups will be intentional in listening to, looking out for, and praying with one another. Take time in your groups to develop a process to care for one another.

We also want to offer good pastoral care during the more trying seasons of life. By God's grace, our church has the privilege of shepherding several hundred people who look to SJs as their church "home." Even though each of our services may feel relatively small or medium-sized, the sum total of our congregation is quite large. This simply means that we have to think wisely, biblically, and creatively on how to care for the spiritual well-being of a congregation this size. This, too, takes intentionality both on your part and the part of our staff.

We have recognized that we are best at remembering specifics when prayer requests are written down. So we want to make sure you have easy channels to ask for prayer and care. You'll find prayer cards in the sanctuary and Christ Hall and, of course, calls, emails, and texts are best to set up appointments. We'd love to see our care and prayer ministry grow and even explore new avenues. If that's a part of your heartbeat, we'd like to hear how God is prompting you to join in this ministry.~~Grace and Truth, Reverend John
