**As a church of grace and truth, St. John's is...**

- Rooted in the doctrines of the Protestant Reformation. We believe we are saved by grace through faith in Jesus, that the Bible is the rule for Christian life and faith, and that the Good News of Jesus should be proclaimed in word and deed.
- Sacrament Celebrating. We believe God ministers to the community of believers in unique and special ways through the gifts of Baptism and Holy Communion.
- Liturgically Oriented. We believe remembering the whole life of Christ is important for spiritual maturity. We follow the church calendar, celebrating seasons like Advent and Lent.
- Ecumenically Minded. In the context of our heritage, we believe all those who call upon Jesus as Lord and affirm the creeds of the church (eg the Apostles' Creed) will share in his eternal blessings and so we welcome all believers who join us to participate in worship and community life.

**A CARING CHURCH?** At St. John's we long to be a caring church. Most churches share this desire, but to actually be a caring church requires all of our participation in member-to-member care. First and foremost, it begins in the friendships and relationships you establish with your brothers and sisters in Christ. A great way—in fact *the primary* way—to connect to caring, Christ-centered friendships at SJs is to get involved with one of our many groups. Each of our groups are encouraged to nurture biblical member-to-member care for one another. And, secondly, caring churches are intentional churches. Care doesn't just happen. It takes purposeful effort! Thus, our hope is that our groups will be intentional in listening to, looking out for, and praying with one another. Take time in your groups to develop a process to care for one another.

We also want to offer good pastoral care during the more trying seasons of life. By God's grace, our church has the privilege of shepherding several hundred people who look to SJs as their church "home." Even though each of our services may feel relatively small or medium-sized, the sum total of our congregation is quite large. This simply means that we have to think wisely, biblically, and creatively on how to care for the spiritual well-being of a congregation this size. This, too, takes intentionality both on your part and the part of our staff.

We have recognized that we are best at remembering specifics when prayer requests are written down. So, we want to make sure you have easy channels to ask for prayer and care. You'll find prayer cards in the sanctuary and Christ Hall and, of course, calls, emails, and texts are best to set up appointments. We'd love to see our care and prayer ministry grow and even explore new avenues. If that's a part of your heartbeat, we'd like to hear how God is prompting you to join in this ministry. ~~Grace and Truth, Reverend John
